

I am willing to help any parents who might need assistance or who really want to learn more about bio-med and other alternative treatments. The following are topics I can help with below:

GlutenFree/CaseinFree diet

Feingold diet

Bio-Medical Bio-Chemical abnormalities that can lead to undesirable behaviors

Blood, Urine, Stool & Hair Lab Testing & Evaluation

Supplements (Omega 3s, zinc, magnesium, DMG/TMG, etc.)

DAN! (Defeat Autism Now!) type prescription medications such as MB-12 injections

GI & Immune System problems

Far Infrared Sauna

Hyperbaric Oxygen Therapy (HBOT)

Neurofeedback

Homeopathy

Auditory Processing Disorder (APD) - important to rule in/out if a child is sound sensitive

Specific learning techniques to help kids with APD

Earobics

Auditory Integration Training (AIT)

Sensory OT

Neurodevelopmental Therapy

CranioSacral Therapy

Chiropractic Adjustments
